January 6, 2014 How to Change Minds - CEES

change minds This moment is called the line in the sand When people cross this line, they do not commit to a solution; they commit to a change Such moments of truth that initiate change exist in everyone’s lives While everyone struggles with change, what is unusual is for people to fix their problems, on their own, before it is too late

How to Change Your Mind

How to Change Your Mind is the story of this renaissance Although it didn’t start out that way, it is a very personal as well as public history Perhaps this was inevitable Everything I was learning about the third-person history of psychedelic research made me want to explore this novel landscape of the mind in the first person too—to

How to Change a Mind: Yours and Others’

Bridges, we learn that it’s difficult to change people’s minds because any attempt to do so incites fear of losing an important mechanism for how they organize and make sense of the world Listening for a Change is a practice that can overcome these barriers to changing people’s minds
